Guarding Nowhere Fast again. Just what she didn't want, but can't turn down. Crawl Jones has been pissed off since the woman he loves decided for them that their relationship was over. Branded a cheater, unfairly, he's been biding his time until he could finish up another tour and get back to her. She could think she was done with him all she wanted, but he wasn't a man who took no for an answer without a fight. Everything comes to a standstill, however, when he comes face to face with a crazed man outside of a concert venue one night. Never one to back down from a fight, Crawl fights back. A gunshot wound and a worried band later,...
